I spent years being frustrated in relationships because I did not understand men on a fundamental level. The fact is that they are not like us in many ways and we will never completely understand each other.

What are the best ways to understand a man's feelings? Philosophically, we can never experience other people's feelings. The fact is that they are not like us in many ways and we will never completely understand each other and it is okay.

The best way might be that try to imagine the feelings he describes and try to put ourselves into their situations and imagine how we feel. If you want to have a happy and healthy relationship with the man you love, it is important for you to be able to understand what he thinks and what he wants.

The relationship expert Michael Fiore has actually interviewed tens of thousands of men and he has found a consistent theme and answer among almost every one of them, and it is exactly what you are looking for.

A man can open up to you the way you want and give you what your heart desires if

you are able to understand their inner thoughts and that is exactly what you will learn in this program.

The Secret Survey by Michael Fiore is based on 8 step by step lessons that show women what they need to do in order to correctly identify how men feel about them and their true intention without him saying even a word.

According to the author, the main reason why many women usually end up with the wrong man is because they don't know how to correctly identify signs that shows that he is not the right man.
